Hi John,

Great to hear from you! Thanks for the update on the club. Glad to hear Alex was able to find the next faculty advisor. Yes, I'm still planning for this to be my last quarter at MSOE (though I may still be unofficially mentoring a couple of actuarial science groups on their senior design projects for a couple of weeks in the spring quarter).

Thanks for checking in; I'd love to stay in touch and hear how you and the rest of the club are doing! I'm hoping to be able to keep my MSOE email, but if for whatever reason I lose access to it after winter quarter, my personal email is breid@crimson.ua.edu and my phone number is [redacted].

Thanks,  
Brandon

Hi Dr. Reid,

Not a ton of club things happened thus far in the quarter. We slightly edited our constitution to remove some ambiguities and officer elections will take place in Week 2 of the Spring Quarter.

We are arranging having Dr. Yaron Brook speak at MSOE around April 22nd. Dr. Brook is the current chairman of the board at the Ayn Rand Institute, and was the executive director of the institute from 2000 to 2017. He is a pretty well known speaker so this is quite exciting!

We are also reaching out to local candidates to line up some speaking gigs since the election is coming up.

Our search for a new staff advisor is still ongoing. Is your plan still to leave MSOE after the winter quarter is over?

Best wishes,

John
