Hi John,

Thank you for sending this over to us. Josh and I will look it over and make adjustments as necessary. I think it would be beneficial to plan on speaking at the Week 3 meeting.

Thank you,

Ethan

Hi Ethan and Josh,

Have you had a chance to look at our constitution? The document is on OneDrive and you should be able to comment directly on it, so the revision process will be a breeze.

MSOE Libertarians is eagerly waiting to get approved and get to work with planning fun stuff.

I didn't let you guys know we could present at the week 1 meeting - I'm glad our whole e-board was able to attend that meeting and I hope that can happen again when we do end up giving our brief presentation.

We'd be happy to do that at SGA's Week 3 meeting and hopefully the constitution would be ironed out by then. I'd be open to presenting today but given the short notice I don't imagine that is possible.

Thanks for your time,

John Bilkey

President of MSOE Libertarians
