Gold evening, John,

Thank you for reaching out to me. Parking shouldn't be a problem. Typically we offer free parking to all of our guests. We can take care of that closer to the date of his arrival. All I will need is his vehicle make/model and license plate.

As for a Public Safety presence, let me speak with Director Fyfe regarding this.

When you make book your location through 25Live, be sure to check the box requesting Public Safety.

**Subject:** Guest Speaker for MSOE Libertarians

Hi Trevor,

MSOE Libertarians is looking to host Dr. Yaron Brook on the afternoon of Friday, April 22. Dr. Brook is a best-selling author and internationally traveling world class speaker.

I'd like to offer him free parking on campus for coming, and he has expressed great interest in speaking at MSOE.

I'm not sure exactly where/when this event is happening, it is still in the planning stages, but Dr. Brook is a well-known political figure so we might want some sort of presence from Public Safety. I'd like to host the event in the Diercks Hall Auditorium and have it be open to the public. I'm not sure if opening it to the public will be possible, but at the very least it will be open to the MSOE community.

Thanks,

John
