Subject: MSOE Libertarians Update

Hi Dr. Reid,

Here is an update on the status of MSOE Libertarians:

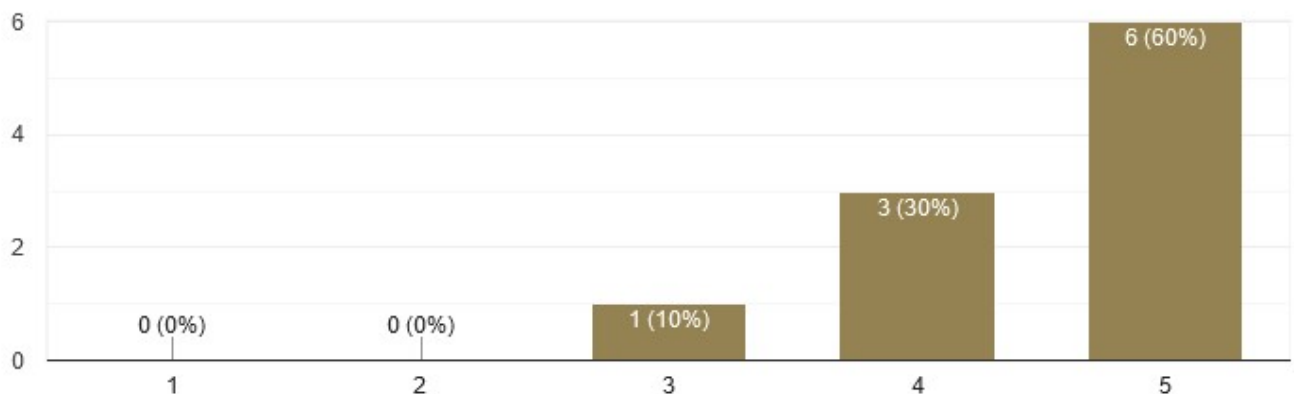

A roster of our members has been submitted to Campus Life, as is required for all student organizations at MSOE. As of today, we have 39 members.

Members were polled on satisfaction with the club, and if they were coming to the Tea Party event. 72% of respondents to that question (8 members) said they were planning on attending the Tea Party.

Member satisfaction has been very high, and I have included a bar graph below with more detail.

A funding request for 50 stickers and supplies for our Tea Party was submitted to Campus Life on Friday, October 15th. It was approved by Campus Life today, and the order should be placed next week. The funding request spreadsheet is attached to this email.

The Tea Party will be on Wednesday, November 3rd at 6 PM in the Library L200 conference room. Club officers should arrive around 5:45 PM to set up and take a group photo. It sounds like we will be dressing up in formalwear for fun, but no dress code was announced.

The Libertarian Party of Wisconsin shared our post about the Tea Party event on their Facebook page.

Thank you,

John
