CC: "Williams Gamba, Damian" <williamsgambad@msoe.edu>, "Zieman, Joshua" <ziemanj@msoe.edu>

Hello MSOE Libertarians!

As a follow up, could y'all send over your constitution so that I can look at it? I can't seem to find the link to it in the student org form.

Thanks!

Joshua Wankowski

Subject: Student Government Org Approval for MSOE Libertarians

Hello MSOE Libertarians!

First off, let me congratulate you for registering to be a student organization on campus, and thank you for helping engage students!

I am Ethan, the Student Organizational Review Committee Chairperson for Student Government along with Joshua Wankowski. I am here to help you through the last part of becoming a fully approved Student organization.

[Here are the final steps to becoming an approved Student Organization:](#)

1. In the next week, we will review your Student Org constitution. If we find changes that need to be made to align with school policy, we will send them over to you.
2. If changes need to be made, please make those changes, and send me a follow-up email with those completed changes.
3. If time allows, please send a representative for your org to the next available Student Government meeting, which takes place from 1PM to 2PM every Monday on MS Teams (weeks 1 through 10 every quarter).
 - a. Please be prepared to give an informal 30 second speech on what your Student Org is all about
 - b. **Please inform me if you cannot have someone attend the meeting**
4. At the agreed upon Student Government Meeting, **we will vote to approve your student organization.** If approved, this will allow your student org to request money for events from Student Government, be invited to great inter-org networking opportunities, and get general support about how to run your org from Student Government.

a. If you cannot attend the meeting, I will send a follow-up email with the results of the vote
If you have any questions about this, please let me know!

Thank you,

Ethan Buechel and Joshua Wankowski

Student Organizational Review Committee Chairperson – MSOE Student Government
