Do you need materials for your organization?

7/25/21, 2:27 PM

Hi Neil,

We will have a booth at the Student Organization Fair in the beginning of the fall quarter and would love to have some materials to hand out. I'll be back in Milwaukee around August 21st to arrange some sort of pick up or drop off.

If you or anyone from LPWI or Milwaukee Libertarians wanted to stop by at the fair, you'd be more than welcome to.

Thanks for reaching out!

That is awesome. I will personally talk to our executive committee tonight to get you materials. I will at least get literature for you. How many are in your group?

We have 47 members but not all are Libertarians, some are here just to talk politics with us and see what we have to say

To be in discussion is always great. Thank you for spreading liberty. Let me know when your back in town and I'll get my hands on items for you to hand out.

For sure, I'm very proud of the discussions we have. I'll definitely let you know. Thanks!

Hey Neil,

Our Student Organization Fair is this Friday and we are back on campus. Do you have materials for us, and if so how would we go about acquiring them?

Thanks,

I was hoping for more of a heads up. Both my event kits are out of town. I can see if I can get shirts and buttons from Oshkosh tonight. I work today through Friday so I wouldn't be able to come to campus to get it to you. If you want to pick it up Thursday evening I can have a tote left with my wife for you.

LP Neil

What time do you think you will be by to pick up? I have shirts, buttons, and bumper stickers. The shirts you can give away for free but what ever is left I need back and can arrange to pick up from you.

Our treasurer, Alex, will pick it up after work, a bit after 4:30 PM.

Alright my wife will be home.

Student Organization fair went great and we got to introduce ourselves to a ton of people! We still have a few shirts, stickers, and a button. Do you have a plan for getting this stuff back to you?

We are super thankful we connected with you and were able to make such a big impact at the fair!

9/13/21, 7:32 AM

Yes I will need that stuff back. I'll be in contact soon to arrange a pick up day.
